State auditors, 3rd party CPAs, production accountants and film commissioners working in New Mexico, Pennsylvania, Michigan, New Jersey, South Carolina and Massachusetts will discuss how to effectively work with the auditors, Revenue Departments and film commissions to maximize the tax credits or rebate.

**Moderators:** Bruce Deichl, Tax Credits LLC, and Jeff Begun, The Incentives Office

Given the importance of soft money in today's economy, and concerns about the viability of tax incentives, we anticipate a sold-out event, so early registration is advised. Full refund if you cancel as late as the evening before the event.

Continental breakfast and registration at 8:30 AM; the first panel will start at 9:00 AM.
